DATE OF REPORT ISSUE: 02 DECEMBER 2021

Please note that the year listed may denote the year in which the qualification was completed or the year in which the qualification was conferred to the holder. The date of conferral is usually confirmed on the final certificate and is when the awarding body formally acknowledges that a student has graduated from the course in question and completed all the established requirements.

We are aware that, in order for applications for teacher training to be considered, GCSE equivalence in certain subjects is required. For your information, although the overall standard is higher, the Diploma de Bacalaureat from Romania may be considered at least comparable to GCSE (grades A*-C / 9-4) / Scottish National 5 standard; for every subject passed, with the exception of English language. English is studied as a second language and is not considered comparable to English language GCSE studied in the UK.

This assessment is based on qualification documents presented to UK ENIC. We are satisfied that evidence of successful course completion has been presented.
